

### JavaJam Coffee House Paragraph

The JavaJam Coffee House website provides information regarding the ins-and-outs of the business. A patron can see what the coffee menu looks like, what entertainment is being provided, they can purchase JavaJam souvenirs and even apply for a job. Each page is designed to inform the patron of what JavaJam can provide for them, should they choose to come into the Coffee House. While only the coffee menu is provided there are other goodies that are served as well, but since no description is given, it pushes the patron to visit JavaJam on their own to see what else there is to appreciate about the Coffee House.

### JavaJam Descriptive Sentence

The JavaJam Coffee House website provides information regarding the coffee menu, entertainment, gear for purchase and even an area to apply for a job.
