Professionally Owned & Managed By:

The Blackmore Company is a full service real estate company based in Carlsbad, California. Over the last 35 years, they have established themselves as one of Southern California's most successful owners and developers of Office/R&D product by delivering the highest standard of quality and attention to their Tenants and Properties alike. The Blackmore Company owns and operates a diverse portfolio of approximately 700,000 square feet of high-image industrial, R&D and office properties, and are proudly the largest owner of commercial real estate within the desirable Carlsbad Research Center.

The Blackmore Company is historically known for their commitment to long-term ownership and portfolio management. They incorporate modern property upgrades and efficiencies that far exceed industry standards to assure long-term value and reduced operating costs. By combining these enhancements with their signature use of extensive high quality reflective glass, The Blackmore Company is able to create attractive, high quality and timeless facilities.
